

Accessibility Statement

Emotiva Healthcare & its affiliate entities are committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying relevant accessibility standards to support access to our website.

Our Commitment

We strive to ensure that our website is accessible to individuals with disabilities and that it provides effective communication for all users, including patients, prospective patients, and members of the public.

Accessibility Standards

We aim to conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, which are widely recognized as the appropriate technical standard for website accessibility under the Americans with Disabilities Act (ADA).

Ongoing Efforts

Accessibility is an ongoing effort. We regularly review our website content and functionality and make updates to improve accessibility as part of our commitment to providing equal access to our services.

Third-party Content

Some features or content on our website may be provided by third-party vendors, such as scheduling tools, maps, or video platforms. While we do not control the accessibility of third-party content, we seek to work with vendors that provide accessible solutions and to offer alternative methods of access when possible.
